Re: Request for Login Authorization and Removal of Previous Authorizations

Dear Chair Pickett:

Golden Valley Electric Association, Inc. (GVEA) requests that the individuals included in this letter receive a user name and password from the Regulatory Commission of Alaska (Commission) to submit electronic docket filings, Regulatory Cost Charge (RCC) reports, and/or Annual Operating Report (AORs) filings, as appropriate, on behalf of GVEA.

Through this authorization, GVEA seeks to add Sarah J. Villalon, Kaylynn M. Tillett, and myself. Additionally, we wish to remove Monica Grassi, Catharine Persinger, and Teodor Dornea from the list of authorized personnel.

I understand that the use of user name and password constitutes verification that the individuals included in this letter have the requisite authority to make an electronic docket filing on behalf of GVEA. I further understand that the Commission may cancel a user name and password if it determines that an individual is abusing the Commission's electronic filing privileges.

Sincerely,

Abbigail M. Dillard
Director of Member Services

Encl.
